

DANIEL LAWRENCE

email daniel.lawrence@ed.ac.uk
website <http://www.danielplawrence.com>

EDUCATION

2013-present PhD Linguistics & English Language
The University of Edinburgh
Dissertation: 'The Perception and Production of Phonetic Change'
Advisors: Dr. Lauren Hall-Lew & Prof. Alice Turk

2011-2013 MSc Applied Linguistics
The University of Edinburgh

Spring 2016 Visiting Scholar in Linguistics
The Ohio State University

Spring 2015 Visiting Scholar in Linguistics
The University of York

TEACHING

2014,2014,2016 Introduction to Sociolinguistics (Guest Lecturer)

2015,2016 Univariate Statistics and Methodology Using R (TA)

2016 Multivariate Statistics and Methodology Using R (TA)

2016 Computer Programming for Speech and Language Processing (TA)

2015 LEL2A: Linguistic Theory and the Structure of English (TA)

2015 Sociolinguistics (TA)

2013, 2014 LEL2B: Phonetic Analysis and Empirical Methods (TA)

RESEARCH ASSISTANTSHIPS

2015 Research Assistant, Prof. Alice Turk & Prof. David Lee
MATLAB programming and statistical analysis for the DoubleTalk corpus of speech and articulation data.

GRANTS

2013-2016 ESRC +3 Studentship (£53,594)

2016 ESRC Overseas Institutional Visit (£7,300)

CONFERENCE PRESENTATIONS

2016 **Daniel Lawrence**. Vowel dynamics and social meaning. Poster presented at LabPhon 15, 15th July, Ithaca, NY

2016 **Daniel Lawrence**. Exploring listener sensitivity to the temporal dynamics of back vowel fronting. Poster presented at satellite workshop 'Speech dynamics, social meaning, and phonological categories', LabPhon 15, 13th July, Ithaca, NY

2016 **Daniel Lawrence**. The social perception of a sound change in progress. Sociolinguistics Symposium 21, 15-18th June, Universidad de Murcia, Murcia, Spain

2016 **Daniel Lawrence**. Resistance to phonetic change in York, Northern England. 20-23rd April, Chicago, IL.

2016 **Daniel Lawrence**. Vowel dynamics and social meaning. Penn Linguistics Conference. 20-22nd March, Pennsylvania, PA.

2015 **Daniel Lawrence**. Limited evidence of social priming in the perception of the bath and strut vowels. XVIII International Congress of Phonetic Sciences. 13th August, Glasgow.

2015 Zac Boyd, Zuzana Elliott, Josef Fruehwald, Lauren Hall-Lew, and **Daniel Lawrence**. An Evaluation of Sociolinguistic Elicitation Methods. XVIII International Congress of Phonetic Sciences. 13th August, Glasgow.

2014 **Daniel Lawrence**. Phonetic variation as a cue to regional identity: an experimental approach. Parlay 2014, University of York. 12th September, York.

2014 **Daniel Lawrence**. How much do listeners know about phonetic variation? Investigating socio-indexical knowledge through online experiments. Sociolinguistics Summer School 5. 29th July, Dublin.

2014 **Daniel Lawrence**. Tracing the emergence of sociolinguistic variation in L2: Polish migrants in Edinburgh. Sheffield Postgraduate Conference in Linguistics. 5th February, Sheffield.

2013 **Daniel Lawrence**. Language attrition at the syntax-discourse interface: Polish pronominal subjects. LEL Postgraduate Conference. 22nd May, Edinburgh.

INVITED TALKS & WORKSHOPS

2016 **Daniel Lawrence**. Workshop on vowel resynthesis methods for speech perception research. Joint workshop for the Social Meaning Research Group and Psycholinguistics Lab Group, The Ohio State University. 12th March, Columbus, Ohio.

2016 **Daniel Lawrence**. Open source eye-tracking with the Eye Tribe tracker. Psycholinguistics Lab Group, The Ohio State University. 5th Feb, Columbus, Ohio.

2016 **Daniel Lawrence**. The perception and production of phonetic change in York, Northern England. Social Meaning Research Group, The Ohio State University. 22nd Jan, Columbus, Ohio.

2015 **Daniel Lawrence**. Phonetic change and indexicality in the York vowel system. Glasgow University Laboratory of Phonetics. 5th November, Glasgow.

2015 **Daniel Lawrence**. Creating natural-sounding speech stimuli for sociophonetic perception experiments. Language Variation and Change Research Group, University of York. 26th February, York.

2015 **Daniel Lawrence**. Indexicality and change in the York vowel system. Language Variation and Change Research Group, University of York. 26th February, York.

2013 **Daniel Lawrence**. The 'native speaker': Psycholinguistic and sociolinguistic approaches. Guest Speaker for pre-sessional EAP students, University of Edinburgh English Language Teaching Centre. 14th August, Edinburgh.

ACADEMIC SERVICE

Reviewer: Language Variation and Change

Reviewer: 18th International Congress of Phonetic Sciences

PUBLIC ENGAGEMENT

2015 **Daniel Lawrence**. Preserving our linguistic heritage and contributing to speech science. Presentation given as part of public event 'Community Visions for York's Heritage'. June 20th, Friargate Meeting House, York.

ADDITIONAL TRAINING

Jan-Mar 2016 Course: Machine Learning (Online).
Stanford University.

May 2015 Course: Big Data and Predictive Analytics for
Social Science Research. University of Leeds.

Nov 2014 Course: Advanced Data Visualization and Visual
Demography in R. University of Glasgow.

SPECIALIST SOFTWARE SKILLS

R	JavaScript
Praat	Python
MATLAB	L ^A T _E X
